**SECOND REQUEST FOR EXTENSION OF TIME  
TO FILE NOTICE OF OPPOSITION**

In connection with the above-identified application, Pilgrim Telephone, Inc., a Delaware corporation with an address at Building 600, Suite 450, One Kendall Square, Cambridge, Massachusetts 02139 ("Pilgrim"), hereby requests this, its second extension of time in which to file an opposition to registration of the above captioned trademark for a period of thirty (30) days from November 22, 2002, up to and including December 22 2002.

Pilgrim asserts that it has good cause for this second request for an extension of time. Pilgrim is undertaking an investigation of the likelihood of confusion that may result from the proposed use of the published mark, including the channels of commerce likely to be used by each mark, the existence of other similar marks in use and the scope of the services being provided under the published mark, as compared to Pilgrim's uses of its own mark. Pilgrim is also in discussions with users of other similar marks, which may impact its decision whether to file an opposition, and will be seeking to contact the applicant for the instant mark to determine whether any issues can be resolved without initiating the opposition process. Pilgrim needs additional time to investigate likelihood of confusion issues to ensure that it does not waste its time, or that of the Board's, in pursuing an opposition that may be unnecessary.

Pilgrim respectfully requests that it be granted this additional extension of time in order to complete its investigation and due diligence, prior to filing an opposition, if warranted. Pilgrim asserts that good cause supports its request for extension as it could help avoid the filing of unnecessary oppositions, and complies with the goal of efficient use of the resources of the Patent and Trademark Office.

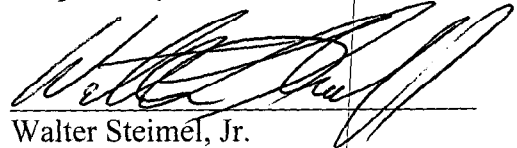

This request is sought for the purposes of investigating the possibility of filing a Notice of Opposition, and is not meant for purposes of delay.

This request is being submitted in triplicate in accordance with 37 C.F.R. §2.101(d).

Date: November 19, 2002

Respectfully submitted,

By:
